<i>See Below for Additional Fees, Explanations & Cost Breakdowns</i>	

Scattering Garden Fees:

Per Urn - \$530

A scattering garden was established in 2022. For those wishing to have some or all their end-of-life cremated remains placed in the Millgrove Scattering Garden, scattering rights may be purchased. This right will allow ashes to be placed and in the Scattering Garden (only) and the person's name to be entered on to a stone memorial located on either side of the Garden. The cost for the stone lettering is borne by the rights holder.

The lettering style and font must conform to the Cemetery's Bylaws for consistency purposes. Scattering Garden engraving must be done through the Cemetery. Ask for a lettering quote from the Cemetery as volume discounts may be available for multiple inscriptions. In all cases, a \$35 handling fee will be charged by the Cemetery to coordinate and arrange the lettering.

Casket Burial Fees:

Excavation fee for a casket - \$1100 Plus HST plus a cemetery administration fee of \$530. Included in the cemetery admin fee is a charge of \$100 to cover the cost of earth removal from the cemetery.

While a vault or liner is recommended for casket burials, should a family wish to forgo a vault or liner, there is a \$350 surcharge above the administrative fee to cover the costs of tending to future excessive grave settlement. If no vault/liner is chosen, families are reminded to ensure that your Funeral Director orders graveside coverings and a lowering device for the casket.

Urn Burial Fees:

Cremation Urn burial - \$555 per urn, \$885 for 2 urn family interment conducted on the same date and time. (\$100 premium for Saturday cremation burials.)

In addition to the Urn burial fee, an additional winter excavation fee applies once the ground is frozen - \$600 (to cover the cost of additional equipment)

Cremation Urn Disinterment fees - \$555 per urn (undertaken only when the ground is not frozen).

Purchase of Additional Cremation Interment Rights:

\$500 per urn per plot to maximum number of 8 urns per plot (see Cemetery By-Laws)
